I will forever be in this fantasy.
I can escape this dreams that I've fallen in .
Take me into your world.
Set me free. (Set me free 5x)

Verse 1
I'm trying to see a vision of you close to me.
But I know I will never see the lie.

Verse 2
I just can't seem to find these walls surrounding me.
So please release me from this fear inside.

Verse 3
Now I'm reaching for you,
but it's hard to see.
Where you are in this place.
Are you close to me.
'Cause I'm reaching for you,
but it's hard to see where you are.
Just tell me why
