There once was a woman

A strange kind of woman

The kind that gets written down in history

Her name was Nancy

Her face was nothing fancy

She left a trail of happiness and misery

I loved her

Everybody loved her

She loved everyone and gave them good return

I tried to take her

I even tried to break her

She said, I ain't for takin' won't you ever learn

I want you, I need you, I gotta be near you

I spent my money as I took my turn

I want you, I need you, I gotta be near you

Ooh, I got a strange kind of woman, yes I have

She looked like a raver

But I could never please her

On Wednesday mornings boy you can't go far

I couldn't get her

But things got better, she said

Saturday nights from now on, baby, you're my star

I want you, I need you, I gotta be near you

I spent my money as I took my turn

I want you, I need you, I gotta be near you

Ooh, I got a strange kind of woman

Ooh, my soul, I love you

I want you, I need you, I gotta be near you

I spent my money as I took my turn

I want you, I need you, I gotta be near you

Ooh, I got a strange kind of woman, yes I have

She finally said she loved me

I wed her in a hurry

No more callers and I glow with pride

I'm dreaming

I feel like screaming

I won my woman just before she died

I want you, I need you, I gotta be near you

I spent my money as I took my turn

I want you, I need you, ha ha ha

Ooh, I had a strange kind of woman, yeah

She was so fat

She was the worst thing you've ever seen

Ooh, my soul, I love you, baby
