Fly into the rising sun,
Faces, smiling everyone
Yeah, she is a whole new tradition
I feel it in my heart
My woman from Tokyo
She makes me see
My woman from Tokyo
She's so good to me
Talk about her like a Queen
Dancing in a Eastern Dream
Yeah, she makes me feel like a river
That carries me away
My woman from Tokyo
She makes me see
My woman from Tokyo
She's so good to me
But I'm at home and I just don't belong ...
So far away from the garden we love
She is what moves in the soul of a dove
Soon I shall see just how black was my night
When we're alone in Her City of light

Rising from the neon gloom

Shining like a crazy moon

Yeah, she turns me on like a fire

I get high

My woman from Tokyo

She makes me see

My woman from Tokyo

She's so good to me
