DEMON'S EYE

I don't mind just what you say.

I never heard you, baby, never heard you anyway.

I don't care what you do

just so long as it ain't me and you.

Sly, sly, sly like a demon's eye.

Everything's good, I said, everything's fine.

You don't know, don't know it's the end of your time.

How does it feel to be turned away?

I've known it, baby, almost every day.

Sly, sly, sly like a demon's eye.

I don't need you anymore,

I don't want you, baby, hanging round my door.

You slip and slide round my brain.

You think you're so clever, yeah, but you know you're insane.

Sly, sly, sly like a demon's eye.

I d-d-don't mind just what you say.

I never heard you, baby, I never heard you anyway, no I didn't.

Everything's good, everything's fine.

You don't know it's the end of your time.

Sly, sly, sly like the demon's eye,

like the demon's eye.
