Hallelujah, Hallelujah, Hallelujah

I am a preacher with a message for my people

Over the world, scratching on the ground

Looking for the peace that nobody has found

I am the spokesman for a better way of living

Love is the word and it can be heard

If you are young the message can be sung

Wow, let me hear you sing

Hallelujah, Hallelujah, Hallelujah

Oh, tell it to the man who's power is the sermon on the wall

Tell it to the man who says you can misjudge them all

Tell it so it can be heard above the wailing of the crowd

Tell it on the fields of war and hope you'll soon be justified

There is a better way of life and it's not so hard to find

If you live and let the people in your own world, ah, speak its mind

For I am a pupil who sells his life for freedom

All over the world and it can be heard

If you are young the message can be sung

Hallelujah, Hallelujah, Hallelujah, ah
