When I was younger, so much younger than today  
I didn't need anybody to help me in any way  
But now these days are gong I'm not so self-assured  
Now I find I've changed my mind, opened up the door  
Help if you can I'm feeling down  
But I do appreciate you're being round  
Help me get my feet back on the ground  
Won't you please help me  
And now my life has changed in oh so many ways  
My independance seems to vanish in the haze  
But every now and then I feel so insecure  
Now I know I need you like I've never done before  
Help if you can I'm feeling down  
But I do appreciate you're being round  
Help me get my feet back on the ground  
Won't you please help me
