Alright

Kentucky Woman she shines in her own kind of light

She looks at you once in a day

And what's wrong is alright

And I love her, God knows I love her

Kentucky Woman

She gets to know you

She gets to own you (yes, she does)

Kentucky Woman

She has the kind of turn at the drop of a name

Well, all the things she does

They turn you on just the same

And I love her, God knows I love her

Kentucky Woman

She gets to know you

She gets to own you

Kentucky Woman

I don't want much

The Good Lord's there beneath my feat

A gentle touch

I've met one girl and life is sweet and good

There ain't no doubt, talking about

Kentucky Woman

She gets to know you

She gets to own you (she gets to own you)

Kentucky Woman, oh yeah

Yeah yeah yeah yeah yeah yeah yeah yeah

Alright

Kentucky Woman she shines in her own kind of light

Oh, she looks at you once in a day

And what's wrong is alright

And I love her, yes I do, I love my

Kentucky Woman

She gets to know you (yes, she does)

She gets to hold you

Kentucky Woman (Kentucky Woman)
