Kentucky Woman she shines in her own kind light

She looks at you once in a day

And what's wrong and what's right

And I love her, God knows I love her

Kentucky Woman

She gets to know you

She gets to hold you

Kentucky Woman

She has the kind of turn at the drop of a game

Well all the things she does they turn you on just the same

And I love her, God knows I love her

Kentucky Woman

She gets to know you

She gets to hold you

Kentucky Woman

I don't want much

The Good Lord's there beneath the feat

A gentle touch

I've had one girl and life its sweet and good

There ain't no doubt, talking about

Kentucky Woman

She gets to know you

She gets to hold you

Kentucky Woman

Kentucky Woman she shines in her own kind light

She looks at you once in a day

And what's wrong and what's right

And I love her, yes I do, I love her

Kentucky Woman

She gets to know you

She gets to hold you

Kentucky Woman

Kentucky Woman
