Blackmore/Glover/Gillan)

She came home last night

rotten rolling drunk

She talk no sense but she sound good

so she think

So I reached over and said Hello

Is there some planet you'd care to go

And she said Venus on the rocks

She got a mean streak

Black Mamba don't compete

She got a mean streak

Temptation bitter sweet

She drives me crazy gets inside my brain

She spend my money down a drain

So I roll over for my reward

How much can I afford

And she says

Just a little more

I can't take this no more

I tried so hard but I can't get thru' the

door

Because one smile from those eyes

And I stand there paralysed

And she says

Beg for more get down sucka you know

what I like

oh hang on
