I got more than I asked for,  
there ain't nothin' I need.  
I took all till I had more,  
I'm always takin' the lead.  
Old man shakin' dice down on the street,  
try'nto make a livin' somehow  
but I'm really sure about gettin' things sorted out  
and I'm gettin' ready right now.  
You can't hold me,  
I have told you.  
Might just take your life,  
might just take your life.  
I've been called by many names  
and all of them are bad.  
I can take it all the same,  
it's all I've ever had.  
I've got somethin' that you can't get  
but one thing you can see:  
gettin' there ain't easy  
but it sure was hard for me.  
You can't hold me,

I have told you.

Might just take your life,

might just take your life.

Every time I take a look

there's someone close behind.

They never used to make a pass,

the things that crossed their minds.

Now they tell me that it's all right

and they want to be my friend.

They're ridin' on my back.

When is it goin' to end?

You can't hold me,

I have told you.

Might just take your life,

might just take your life,

might just take your life.

Got more than I asked for,

got more than I need.

Got more than I asked for,

got more than I need.

Got more than I asked for,

got more than I need.
