2 get through this thing called life  
Electric word life  
It means forever and that's a mighty long time  
But I'm here 2 tell u  
There's something else  
The afterworld  
A world of never ending happiness  
U can always see the sun, day or night  
So when u call up that shrink in Beverly Hills  
U know the one - Dr Everything'll Be Alright  
Instead of asking him how much of your time is left  
Ask him how much of your mind, baby  
'Cuz in this life  
Things are much harder than in the afterworld  
In this life  
You're on your own  
And if de-elevator tries 2 bring u down  
Go crazy - punch a higher floor  
If u don't like the world you're living in  
Take a look around u  
At least u got friends

U see I called my old lady

4 a friendly word

She picked up the phone

Dropped it on the floor

(Sex, sex) is all I heard

Are we gonna let de-elevator

Bring us down

Oh, no Let's Go!

Let's go crazy

Let's get nuts

Let's look 4 the purple banana

'Til they put us in the truck, let's go!

We're all excited

But we don't know why

Maybe it's cuz

We're all gonna die

And when we do (When we do)

What's it all 4 (What's it all 4)

U better live now

Before the grim reaper come knocking on your door

Tell me, are we gonna let de-elevator bring us down

Oh, no let's go!

Let's go crazy

Let's get nuts

Look 4 the purple banana

'Til they put us in the truck, let's go!

C'mon baby

Let's get nuts

Yeah

Crazy

Let's go crazy

Are we gonna let de-elevator bring us down

Oh, no let's go!

Go crazy

I said let's go crazy (Go crazy)

Let's go, let's go

Go

Let's go

Dr. Everything'll be alright

Will make everything go wrong

Pills and thrills and dafodills will kill

Hang tough children

He's coming

He's coming

Coming

Take me away!
