Where you can hear a country song from far  
and someone plays the honky-tonk guitar  
Where all the lights will go out one by one  
the people join the sun  
and the wind takes it away

Where the Mississippi falls down to the sea  
and lovers found the place they'd like to be  
how many times before the song was ending  
love and understanding  
everywhere around

Mississippi, I'll remember you  
whenever I should go away I'll be longing for the day  
that I will be returning again  
Mississippi, you'll be on my mind  
everytime I hear this song  
Mississippi roll along  
until the end of time

Now the country song for ever lost its soul  
when the guitar player turned to rock & roll  
and everytime when the summernights are falling  
I will always be calling  
dreams of yesterday
