Yes I know it was late
We were greeting the sun
Before long

And you live with someone
I live with somebody too
Leave it there

For safe keeping
One of the west village in plains
That was the custom
Come dawn

On the walls of the day
In the shade of the sun
We wrote down

Another vision of us
We were the challengers of
The unknown

"Be safe" you say
Whatever the mess you are, you're mine, okay
If that is the custom
I'm down

Na-na na-na na-na na-na na-na...

Until I see you around
Until we clear the accounts
Leave it there

Leave it to us
We are the challengers of
The unknown

Oh-la, oh-la, oh-la, oh-la
Oh-la, oh-la, oh-la, oh-la
