If you can't see my mirrors  
I see you coming around, yeah  
You're coming around

If you can't see my mirrors  
I see you coming around, yeah  
You're coming around

Pissed-up Sunday morning  
We'll miss you in the show  
Pissed-up Sunday morning  
We'll miss you when you go  
Go gently through the floor  
A dismal and meaningless sigh

Pissed-up Sunday morning  
We'll miss you when you go  
Pissed-up Sunday morning  
I'd kiss you, but you know  
It'd be gently through the door  
A dismal and meaningless sigh

Home from your elevens (?) tour  
Honorable discharge aboard the HMS Pinafore  
Oh what fun, oh what more (?)

If you can't see my mirrors  
If you can't see my mirrors  
If you can't see my mirrors  
If you can't see my mirrors
