Let me through
Paper in fist
Jessica numbers tell me if
We're clear
Write me a star
Just tape the letter to the door

This thing is your mission
The lone-wishin' condition

Brave under the road
Jessica numbers to the wall
Slip through
Ever the thief
Is posed to hero but we'll see

This thing is your mission
The lone-wishin' condition

Push me through
Counting the miles
Measuring all our shadows by
Old star
Shift into red
Just tape the numbers to the bed

Head-tripping on the
The sadness as it passes
As word across
The window frost and now
Starting to feel the kicking here at last yeah
Something worth keeping an eye on

Let me through
Paper in fist
Jessica numbers give me this
Let's fall
Look where we land
Just like the answer on my hand

This thing is your mission

The lone-wishin' condition

This thing is your mission
The lone-wishin' condition

Jessica numbers are due
Jessica numbers are due
Jessica numbers are due
