I can't let go, but the memories that we use to share.

My heart use to be so strong, please come back.

I love you girl, you know i need your love.

I never thought that you would break my heart.

You said you loved me girl from the start, and now your gone.

And i don't know what to do.

I am alone, but still in love with you.

Tell me that you love me, and you are here to stay.

I don't never want to see you go away.

Tell me that you love me, and our love is true.

Girl i know i never stop loving you, you been gone.

I been alone all alone.

I cry all night, and I wait by the phone.

I don't know why you feel this way.

These feelings for you girl.

I can't explain.

I never thought you will break my heart.

You said you loved me girl, right from the start.

And know your gone.

I don't know what to do.

I am all alone, and still in love with you.
