All my attention baby, my extra time
There's nothing I won't give you
Girl if you were mine
Six million times I'm thinking about your face
You know I'm crazy for you
Let me count the ways
Too many girls I'm chasing
I had my falls
But all the time was wasting
Girl you know that you're the one
It's a countdown to your love
You're my number one, girl
It's a countdown, falling fast
Don't think I'm gonna last, now Wait a minute, wait a
minute, wait a minute, yeah
Wait a minute, wait a minute, wait a minute, yeah
There's only one in your life, I want to believe
Gonna set your heart on fire
Burning in the fourth degree
Seven, eight, can hardly wait for you to come around
Nine, ten, back again
Count the ways I love you now

It's a countdown to your love
You're my number one, girl
It's a countdown, falling fast
Don't think I'm gonna last, now
It's a countdown to your love
You're my number one, girl
It's a countdown, falling fast
Don't think I'm gonna last, now
Wait a minute, wait a minute, wait a minute, yeah
Wait a minute, wait a minute, wait a minute, yeah
Ten you're beautiful
Nine you're amazing
Eight you're contagious every time I look at you
Six you're the stuff I need
Five, four, three I know you want me
Don't you know that I want you too
You're the one, you're the one, you're the one
You're the one, you're the one, you're the one

It's a countdown to your love
You're my number one, girl
It's a countdown, falling fast
Don't think I'm gonna last, now
It's a countdown to your love
You're my number one, girl
It's a countdown, falling fast
Don't think I'm gonna last, now
Wait a minute, wait a minute, wait a minute, yeah
Wait a minute, wait a minute, wait a minute, yeah
It's a countdown to your love
You're my number one, girl
It's a countdown, falling fast
Don't think I'm gonna last, now
It's a countdown to your love
You're my number one, girl
It's a countdown, falling fast
Don't think I'm gonna last, now
Wait a minute, wait a minute, wait a minute, yeah
Wait a minute, wait a minute, wait a minute, yeah
Wait a minute, wait a minute, wait a minute
It's a countdown
