Suddenly my choice is clear  
I knew it only you and I  
Were standing here  
And beautiful  
Is all I see  
It's only you I know it's true  
It has to be

Well that money is a waste of fame  
You didn't earn it  
You don't deserve it  
True love doesn't cost a thing  
Don't try to buy it  
You can't return it  
(No, no, no, no)

Well  
Your friends are doing  
All the same things  
And my friends say,  
"Look at what you're wasting"  
But it doesn't matter  
If we change their minds

Suddenly  
I can see  
What I didn't before  
And I don't care  
What they say anymore  
'Cause I'm falling, falling  
Finally falling, falling

I don't need all the finer things  
Diamond rings are nothin'  
So show me something  
'Cause love is all I ever wanted  
And now I've got it  
(Yeah, yeah, yeah, yeah)

My friends are wondering  
What you're thinking  
And your friends probably

Think the same thing  
Well it doesn't  
Matter  
If we change their minds

Suddenly  
I can see  
What I didn't before  
And I don't care  
What they say anymore  
'Cause I'm falling, falling  
Finally falling, falling

If you can't find your love  
When you're in it  
Just forget it  
It will change your mind  
Once you get it  
Don't you get it?  
'Cause we did it (Yeah, we did it)

Suddenly  
I can see  
What I didn't before  
And I don't care  
What they say anymore  
'Cause I'm falling, falling  
Finally falling, falling (x2)
