Looking out of a dirty window
It's not much, but it's all I've known
Close my eyes and I see a rainbow
But I can't reach the pot of gold
All the things that we take for granted
All the things we don't really need
Those are the things they've always wanted
Loved girl will replant the seed

The more I think about it, they are just like me
We all need love, we all need hope, we all have dreams

And now I'm lying and sleep, just trying to figure out,
if you think about it
It doesn't take much, to help a girl up
Just a little bit of heart and soul,
we gotta let them know
It's enough about us, yeah we can help a girl up
We can help a girl up!
Help a girl, help a girl up,
Help a girl, help a girl up
We can help a girl up (help a girl, help a girl up)
We can help a girl up (help a girl, help a girl up)

If a man can move a mountain, we can start an
avalanche!
Throw a penny in a fountain, one wish, one helping
hand

The more I think about it, they are just like me
We all need love, we all need hope, we all have dreams

And now I'm lying and sleep, just trying to figure out,
if you think about it
It doesn't take much, to help a girl up
Just a little bit of heart and soul,
we gotta let them know
It's enough about us, yeah we can help a girl up
We can help a girl up!
Help a girl, help a girl up,
Help a girl, help a girl up

We can help a girl up (help a girl, help a girl up)
We can help a girl up (help a girl, help a girl up)

All the girls in the world stand up,
When one of us hurts speak up,
Let your voice be heard, don't give up
'Cause together we can help a girl up!
