call you up when i know he is at home
i just .. on my skin when he picks up the phone
what can i tell if he is looking at me
should i give him a smile
should i get up and leave
i know it's strange i don't know what i am thinking
but is it wrong if i see him this weekend
i really hope i can get him alone
i just don't want her to know

chorus
my best friend's brother is the one for me
he's a punk rock drummer
and he is 6.3
.. but i want you
i just can't get you out of my mind
best friend's brother is the one for me
bfb bfb

i come to think that i might be his type
when i am around he is my .. to shine
sometimes like it might make it real

i don't know what to do

but is it wrong if i see him this weekend
i really hope i can get him alone
i just don't want her to know

chorus
best friend's brother is the one for me
