Driving down Sunset on a Saturday night
It's getting kinda crazy under the lights
And we don't care where we're passing our
time
Watching those LA boys roll by
In the drop tops Harley Escaladas too
A hundred different flavors to vary your view
There's one for me and there's one for you
Watching them LA boys roll through
Looking so hot down in Hollywood
You know they got, got the goods
So lets give it up for those LA boys
Riding the waves up in Malibu
They really get, get to you
So lets give it up for those LA boys
Give it up, give it up, you don't have no choice
Give it up, give it up for those LA Boys
West side, east side, everywhere between
Rock stars jamming, but probably not for free
Flipping a skateboard, I learn their speach
LA boys, come play with me
Turn it up, Turn it up
And come play with me.
Looking so hot down in Hollywood
You know they got, got the goods
So lets give it up for those LA boys
Riding the waves up in Malibu
They really get, get to you
So lets give it up for those LA boys
Give it up, gve it up, you don't have no choice
Give it up, give it up for those LA Boys
I put your number in my phone
Maybe I'll call you maybe not
What are you doing all alone
Come show me what you got boy
Show me what you got got boy
What you got boy
Show me what you got
Woouooo
Looking so hot down in Hollywood
You know they got, got the goods
So lets give it up for those LA boys

Riding the waves up in Malibu
They really get, get to you
So lets give it up for those LA boys
Give it up, gve it up, you donâ€™t have no choice
Give it up, give it up for those LA Boys
Give it up for the LA boys
Give it up for the LA boys
Give it up for the LA boys
Give it up for the LA boys
Give it up for the LA boys
Give it up for the LA boys
Give it up for the LA boys
Lets give it up for those LA boys
