I Know
You see
Somehow the world will change for me
And be so wonderful

Here i am once again
Feeling lost
But now and then

Live life breathe air
I know somehow we're gonna get there
And feel so wonderful

When you figure out how
You're lost in the moment
You disappear

It's all for real
And i'm telling you just how i feel

You don't have to be afraid
To put your dream in action
Your never gonna fade
You'll be the main attraction

All the members of my nation
It's your time to feel

Not a fantasy (Not a fantasy)
Just remember me
When it turns out right

There's no chance unless you take one
And the time is here

If your living
You're imagination

Tomorrow you'll
Be everybody's fascination
See the brighter side of every situation

In my victory (In my victory)
Just remember me
When i make it shine

Leave it all to me
Leave it all to me
Leave it all to me
When i make it shine
Leave it all to me

When you live
In your imagination (Leave it all to me)
When i make it shine

Leave it
Make it
Leave it
Make it
Leave it
Make it
Leave it (all to me)

When i make it shine
Leave it all to me
