(Victoria Justice)

Just shoot for the stars if it feels right  
Then aim for my heart if you feel like it  
Take me away make it okay  
Yeah, you really make me wonder about you

(Max Schneider)

Well baby, it's hard when it feels like  
You're broken and scared, nothing feels right  
But when you're with me, I'll make you believe  
Girl, you really make me wonder 'bout you

(Victoria Justice)

I wasted my nights you turned out the lights  
Now I'm paralyzed

(Max Schneider)

Still stuck in that time when we called it love  
But even the sun sets in paradise  
I don't mind spending everyday  
(Victoria Justice: Sunday morning, rain is falling)

Out on your corner in the pourin' rain

(Victoria Justice: Steal some covers, share some skin)

Look for the girl with the broken smile  
(Victoria Justice: Sunday morning, rain is falling)

Ask her if she wants to stay awhile

(Max and Victoria)

And she will be loved x3

And I won't go home without you

(Victoria Justice)

I know its hard to remember, the people we used to be  
(Max Schneider: But i am in misery)

You say its to late to make it, but is to late to try

(Max Schneider: Why won't you answer me)

Well baby, you are all I need, in darkness you are all I  
see

Come and rest your bones with me

Driving slow on Sunday morning

(Max Schneider)

And it goes like this love has takin' its toll on me

She said goodbye too many times before

(Victoria Justice)

Now take me by the tongue and I'll show you

All them moves like Jagger I got them moves like

Jagger

(Max Schneider)  
My heart is breaking in front of me  
I have no choice  
Yeah i won't say goodbye anymore  
(Victoria Justice)  
Just look into my eyes and I'll own you  
With them moves like Jagger I've got them moves like  
Jagger  
Now I'm at a payphone  
(Max Schneider: I don't mind spending everyday)  
All of my change I spent on you  
(Max Schneider: Out on your corner in the pourin' rain)  
Where have the times gone  
(Max Schneider: Look for the girl with the broken smile)  
Where are the plans we made for two  
(Max Schneider: Ask her if she wants to stay awhile)  
And she will be loved x6
