It's nine on the dot

And we just talk and we talk
And I just want it to stop
Cuz aren't we here for the music?
And if you dare
Just get up out of your chair
Cuz this ain't going nowhere
We've gotta move or we lose it
All I wanna know
Is when we're letting go
We can get this record to break
Why we wasting time?
We never can rewind
All I'm really trying to say
Is shut up and dance
Show me what you got
Just shut up and dance
Are you in or not?
You're moving your mouth
Baby don't speak
Shut up and dance
If you're into me
Cuz I can't wait no more to get on the floor
Don't stop now's your chance
Shut up and
Dance til we drop
Cuz I'm sick of the space in between
You and me light it up
Til we're making a scene
Talk the talk
Let it rock
If you know what I mean

Is shut up and dance
Show me what you got
Just shut up and dance
Are you in or not?
You're moving your mouth
Baby don't speak
Shut up and dance

If you're into me
Cuz I can't wait no more to get on the floor
Don't stop now's your chance
Shut up and dance, dance, dance yeah
Shut up and dance, dance, dance yeah
Put up your hands, hands, hands yeah
Shut up and dance, dance, dance yeah
Shut up and dance!
