You think you know me  
But you don't know me  
You think you own me  
But you can't control me  
You look at me and there's just one thing that you see  
So listen to me  
Listen to me

You push me back  
I push you back  
Harder, harder  
You scream at me  
I scream at you  
Louder, L-L-L-L-Louder  
I'm dangerous so I'm warning you  
Cause you're not afraid of me  
And I can't convince you  
You don't know me

You think you got me  
But you don't get me  
You think you want me  
But you don't know what you're getting into  
There's so much more to me than what you think you  
see  
So listen to me  
Just listen to me

You push me back  
I push you back  
Harder, harder  
You scream at me  
I scream at you  
Louder, L-L-L-L-Louder  
I'm dangerous so I'm warning you  
But you're not afraid of me  
And I can't convince you  
You don't know me

And the longer that you stay, the ice is melting  
And the pain feels okay, it feels okay (heyy)

You push me back  
I push you back  
You scream at me  
I scream at you  
Louder...

You push me back  
I push you back  
Harder, harder  
You scream at me  
I scream at you  
Louder, L-L-L-Louder  
I'm dangerous so I'm warning you  
But you're not afraid of me  
And I can't convince you  
I don't have to  
I think you know me
