I don't wanna make a scene
I don't wanna let you down
Tryin' to do my own thing,
and I'm starting to figure it out
That it's alright keep it together where ever we go
And it's alright oh well whatever
Everybody needs to know

You might be crazy
But have I told you lately
That I love you
You're the only reason that I'm not afraid to fly

And it's crazy
That someone could change me
Now no matter what it is I have to do
I'm not afraid to try
And you need to know that you're the reason, why

I don't even care when they say when you're a little bit
off
Look me in the eye
I'd say I could never get enough
Cuz it's alright keep it together where ever we go
And it's alright oh well whatever
Everybody needs to know

You might be crazy
But have I told you lately
That I love you
You're the only reason that I'm not afraid to fly

And it's crazy
That someone could change me
Now no matter what it is I have to do
I'm not afraid to try
And you need to know that you're the reason, why

If it was rainin' you would yell at the sun
Pick up the pieces when the damage is done
You say it's just another day in the shade
Look at what a mess we made

You might be crazy
But have I told you lately
That I love you
You're the only reason that I'm not afraid to fly

And it's crazy
That someone could change me
Now no matter what it is I have to do
I'm not afraid to try

You might be crazy
But have I told you lately
That I love you
You're the only reason that I'm not afraid to fly

And it's crazy
That someone could change me
Now no matter what it is I have to do
I'm not afraid to try
And you need to know that you're the reason why
