Too soft to speak
Pathetic breed
Eyes can't see
Skin's creased
Through the window there are voices
Love is in the air
But it won't catch me it won't catch me

[Chorus:]
Jelly eyes too soft to speak
In the middle of what I need
Never ever ready to feel
20 something makes me ill

Comedown outburst
Forced opinions
Slick surroundings
Sick internals
I am leaving this high
I will leave this high
Cause they can't catch me
They can't catch me

Jelly eyes too soft to speak
In the middle of what I need
Never ever ready to feel
20 something makes me ill

In the middle of what I need
In the middle of defeat
20 something makes me ill
Never ever ready to feel

Jelly eyes too soft to speak
In the middle of what I need
Never ever ready to feel
20 something makes me ill

The seagulls they are laughing
We are flattered by nonsense
The seagulls they are laughing

We are flattered by nonsense

Jelly eyes too soft to speak
In the middle of what I need
Never ever ready to feel
20 something makes me ill

In the middle of what I need
In the middle of defeat
20 something makes me ill
Never ever ready
