Cherryflowers and thunderrain it makes me insane  
Cherryflowers and thunderrain running through my  
veins

Slippery ground unreliable sounds  
Splattered streets and shattered minds  
Dance and die - I'm scattered on the floor

Chorus:

Thunderrain and bedroomsongs  
There's nothing sweet  
I want you in machine I want you in my sheets

Slippery ground unreliable sounds  
Splattered streets and shattered minds  
Dance and die I'm scattered on the floor  
Dance dance dance dance

Thunderrain and bedroomsongs  
There's nothing sweet  
I want you in my sheets I want you in my sheets

Thunder rain and bedroomsongs  
There's nothing sweet  
I want you in my sheets I want you in machine

Cause I have been watching you  
Well I will be watching you  
I'll be watching you - had enough of you  
Cause I watched you - and I'll be watching you  
I'll be watching you - had enough of you

Thunderrain and bedroomsongs  
There's nothing sweet  
I want you in machine I want you in my sheets

Thunderrain and bedroomsongs  
There's nothing sweet  
I want you in machine I want you in my sheets

You are way too close now  
Yeah you are way too close now'
