Let's rise to stars (roads lead there)
Only with me
Crash others cars (follow me)
Only with me (only with me)
Frances says (follow me) Frances says..
Frances says (follow me)
Only with me (only with me)

When happy is normal-normal is happy
When happy is normal-happy?
When happy is normal-normal is happy
When happy is normal

Let's rise to stars (roads lead there)
Only with me
Crash others cars (follow me)
Only with me (only with me)
Frances says (follow me) Frances says
Frances says (follow me)
Only with me (only with me)

Never quite sure what you want me to say
Never quite sure what you wanted me to believe
Never quite sure what I wanted to say
Never quite sure what you wanted me to believe

Ahead of our time
We are ahead of our time
Ahead of our time
We are ahead of our time
When happy is normal-normal is happy
When happy is normal-normal is..

Sorry you signed up with me
So sorry you signed up with me
Sorry you signed up with me
Sorry you signed up with me
Sorry you signed up with me
Sorry sorry sorry you signed with me
Sorry you signed with me
