Same side now - years to find
Same side now - did it pay?
Your side now - am I welcome to stay?
Same side now - do it my way
Same side now - somethings never change
Same side now - will you do it my way?

We are on our side now - never thought this could
change
Our side was heavenly made
Heavenly heavenly heavenly made

I am old enough to know how to carry my spine
I am old enough to know what to do with my time
But river come down - lead me anywhere
You think is alright - it's alright
Same side now - am I welcome to stay?
Same side now - will you do it my way?

We are on our side now - never thought this could
change
Our side was heavenly made
Heavenly heavenly heavenly made
Heavenly heavenly heavenly made
Heavenly heavenly heavenly made
Heavenly heavenly..

Cause I will put on my perfect face and dress up all in
lace
And I'll forget this whole disgrace
Put on my perfect face and dress up all in lace
And I will make this my place
Will be making this my place
And don't you dare don't you dare to ever
Don't you dare don't you dare to ever mention
Don't you dare don't you dare to ever - don't you dare
to ever mention
Cause our side is - our side is heavenly
Heavenly made
We ride the rainbow to the other side
Ride the rainbow
