you can see right through her eyes  
what she's up to next  
her crazy thoughts, psychotic ways  
never giving you a moments rest  
just when you think you're left alone  
she comes back for more  
She's crazy, insane!!!  
and you're the one, you're the one she adores!!!

[Chorus]

you're the one she adores  
the only one she adores

drowned yourself with sorrows  
try to understand her thoughts  
til she stabbed you in the back  
without one moment lost  
Did you even think for once  
that she feels a moments guilt  
She's crazy, insane!!!  
you are the one she was destined to kill!!!

[Chorus]

now, she has moved on to another  
the lucky one is me  
a victim of her selfish desires  
caught in the middle of her scene  
her mind is set at jealousy  
you wouldn't believe your eyes  
She's crazy, insane!!!  
and you and i believed her lies!

[Chorus]

you too will believe her lies  
when she comes for you  
she'll manipulate your souls  
until she sees you fall  
you better open up your eyes  
for what she's planning next

She's crazy, insane!!!  
and you're the one she'll put to the test!!!
