[MF Doom]

Physically, mentally, spiritually not nowadays  
Madvillain get more spins than the power plays

These hens served them a tower of praise  
Wet more Timb's than agua from shower sprays

First dropper to the last  
The same way the super got hits for that ass

Put so much heat out on the street  
He lock his self up and put the beat on repeat

Stamp here go a kite to the world  
It's more nasty than what you write your so called girl

Tramp a spade is a spade  
Spit blades like V playing with grenades

He say these black negro's is crazy  
Hey these wack trees don't even phase me

Part of a new way  
Chrome face 24/7 stay screw face  
Play home base

You'll never come closer to where they want to be

Soldiers in the out field  
With or with out a deal  
Is it all about the steal

You'll never come closer to where they want to be

Ask yourself the same question  
Don't mention it to him or any of his henchmen

this flows style in exceptionally  
it grows wild and splits exponentially

[Quasimoto]

MF DOOM, QUAS high like sky scrappers  
Quasimoto gettin more ass than toilet paper

Who

Astro Black on attack you up on the bozack  
Know smarts  
Lightweight  
Ya bald head like Cojack

[Madlib]  
Kinda like a wild cat out of his habitat  
Tryin to grab the door mat  
Close to the combat

[Quasimoto]  
Like willie the Shake  
Holdin a black cross  
Ya hat toss

[Madlib]  
Ya'll niggaz on some skinny dip

[Quasimoto]  
Looking at his henny sip  
Look at little pretty chicks  
Sucka's tryin to penny flip  
niggaz looping any shit

[Quasimoto]  
Yo, yo  
What's the password, curse word, last word  
Huh  
It be the fat serve, mass nerve, black bird

You'll never come closer to where they want to be

Quasimoto down with Madvillian  
All up on our shit while ya'll nigga's all be killin

You'll never come closer to where they want to be

[Quasimoto]  
Always on the up and up  
Chocolate heat for beat  
Ya sucka's always fuckin up
