

Appleseed Cast "Mile Marker"

Slow down a lighted road
A broken sign
States the mile

A broken code
A simple rhyme
A smile

A fallen line
A simple song
Set the time

Empty stage
View beyond
The skyline

All comes falling down
On the floor
The heart

The tangled weed
The open door
The sign

An open life
Is an onion skin
In time

The never scene
In party blue
I'm dying

These are the colors
And shades
Of a heart that is broken

These are the colors
And shades
Of a heart that is broken

These are the colors
And shades

Of a heart that is broken

These are the colors
And shades
Of a heart that is broken
