Intro..

*Oh oh confessions to

I' do I I do

Oh oh confessions to oh oh oh I I oh oh
confessions to

I'm do I I I'm through oh

Pasions through oh oh I I oh

Repeat x2*

sittin here at home

thinkin bout you all alone

wonderin where our love went wrong

Got a confession to make

since you made me happier

Now all i can do is hurt

When you left you took my heart

Got a confession to make...

Im heartbroken

without your love,

heartbroken

yes i've had enough

heartbroken

and i dont know what to say

iv never felt this way

X4

intro

Now we had something so true

i realised i meant nothing to you

I bet you thought i was your fool

got a confession to make

Now i realize the truth

i dont want anything to do with you

It was just the way i was attracted to you

got a confession to make

Im heartbroken

without your love,

heartbroken

yes *i've* had enough
heartbroken
and i dont know what to say
iv never felt this way
