I know why you're grouping with me  
I bet you wanna get some water outta me  
Do I look like a vending machine?  
No, Im a fireballin M.A.G.E!

I dont know why you're rolling a priest  
Shadow damage can't manage to top me  
I'm like a ninja with invisibility  
And then I'll T E L E P O R T

As soon as I join the group  
They start beggin for water  
Coulda dropped a few gold and  
just gone out and bought it  
But now they got a Mage  
So you know that nobody brought it

Its a good thing I got  
two full bag spaces allotted  
Because I'm cooking up more  
biscuits then a Buskins Yo  
Just so our tank can get  
a couple more cinnamon rolls  
Arcane intellect for everyone  
so they should know  
But now I'm outta mana and  
they're already ready to go

They like my sheep, they like my water  
And my conjured bread  
And now my pants are rockin out  
some kinda mystic thread  
Frostrnova your ass  
and pyroblast  
Until you end up dead

So when you lose all of your duels  
Go QQ in your baby bed  
Epic ropes I roll on those  
And rock the DPS  
As far as CC goes my crowd controls

Are all the best  
Class choices should be simple  
Cant you see?

You rollin with me  
You better roll a M.A.G.E

When were headin down to Gruuls  
You know that Im the man  
Heal me please cuz Im MT  
Tankin Krosh Firehand  
Spellsteal the shield everytime  
Like it was planned  
No one else can withstand  
his brand of pain  
Dont you understand?

Give them elemental pets  
And now they're overpowered

Shut up shammy, overpowered?

You'd know all about it  
Everytime I cast a spell at you  
Your totems ground it  
They get in my way when I run flags  
I blink around em  
The entire set of spellfire  
Oh yeah  
I bought it  
Cold snap and Ice Block  
Yeah  
You know I got it

Every noob Ally I see  
Is gonna get one shotted  
If you dont know how to spec  
You should just go Thottbot it

I love my teleport but I think I've had enough  
"Im in undercity,  
will you port me up to Thunder Bluff?"

Class choices should be simple  
Cant you see?  
You're rollin with me  
You'd better roll a M.A.G.E

I dont know why you're rolling a priest  
Shadow damage can't manage to top me  
I'm like a ninja with invisibility

And then I'll T E L E P O R T

I know why you're grouping with me  
I bet you wanna get some water outta me  
Do I look like a vending machine?  
No, Im a fireballin M.A.G.E!
