We step up, the club is flooded
All of a sudden, it's a herd
Chickens be talkin', I keep walkin'
They just a flock of birds
Playas and gators, gorillas holdin' up the wall
Ooo, ooo
Half past two
It's a zoo, ooo
I'm sippin' and slippin' on my pinot
But I know what he want
Two steps ahead of ya
[?] he's out on a hunt
Lookin' like Bambi, I'm candy
And he want a taste
Ooo, ooo
Half past two
It's a zoo, ooo

Look at all these animals in here
Moving like some wild and crazy bandits
Party people up in it
So gone, they on automatic
Look at all these animals in here
Moving like some wild and crazy bandits
You lookin' for a mate, we'll find you a boo
You just might see one in this zoo

Zoo, zoo, zoo, zoo
Animals on the loose loose loose
We get wind up like
It's a zoo, zoo, zoo, zoo
Animals on the loose loose loose
It's like we up in the zoo
Zoo, ooo, ooo, zoo
Zoo, ooo, ooo, zoo

Strapped like a pony, only [?] here with a flawless
mane
[?] like crazy, hit me baby
I'm wild and I can't be tamed
Eagle eye, I spot him, I got him

I don't have to chase
Ooo, ooo
Half past two
It's a zoo, ooo
He picks up my fragrance, he goes crazy
He scoops me like Tarzan
We hit the floor, but we proceeded to do our mating
dance
[?] get in the way
Ooo, ooo
Half past two
It's a zoo, ooo

Look at all these animals in here
Moving like some wild and crazy bandits
Party people up in it
So gone, they on automatic
Look at all these animals in here
Moving like some wild and crazy bandits
You lookin' for a mate, we'll find you a boo
You just might see one in this zoo

Zoo, zoo, zoo, zoo
Animals on the loose loose loose
We get wind up like
It's a zoo, zoo, zoo, zoo
Animals on the loose loose loose
It's like we up in the zoo
Zoo, ooo, ooo, zoo
Zoo, ooo, ooo, zoo

You can't expect for me to just sit right here
And keep it together babe
(Keep it together babe)
The animal in me won't let me be
And all everything is about to drive me crazy
I just can't take anymore
I think I'm losing control
I feel like letting it go
Giving into my instincts
I just can't take anymore
I think I'm losing control
I feel like letting it go
Giving into my instincts

Look at all these animals in here
Moving like some wild and crazy bandits
Party people up in it
So gone, they on automatic
Look at all these animals in here
Moving like some wild and crazy bandits

You lookin' for a mate, we'll find you a boo
You just might see one in this zoo

Zoo, zoo, zoo, zoo
Animals on the loose loose loose
We get wind up like
It's a zoo, zoo, zoo, zoo
Animals on the loose loose loose
It's like we up in the zoo
Zoo, zoo, zoo, zoo
Zoo, zoo, zoo, zoo
