I still can't say the scars of the past,
I still bear to die, too to live.
Can you make any sense out of life
God knows why I should live "God-damn!"
Can you make any sense out of death.
God knows why I Should die "God-damn!"
I won't able to help that I wound myself and
Won't able to help that I open old wounds

"kimi ga kuru no wo zutto koko de matte ita yo. izanau
yo zetsubou no na mo nai, nani mo nai kuni e"

I still can't say the scars of the past. "doushite obiete
iru no?"
Please tell me why I should go... "boku mo ANO kuni no
juunin sa."

Kako no kizu wa ienai
Kako no kizu wa ienai
Chiyu wa shidai ni kanou
Kizu wa shidai ni kanou
Kanraku wo egaku yume, aenaku taraku
Naze watashi hitori ga? naze watashi hitori ga! ?

"kimi ga kuru no wo zutto koko de matteita yo.
Izanau yo zetsubou no na mo nai, nani mo nai kuni e"

I still can't say the scars of the past. "ki ni itte kureta
kai?"
Please tell me why I should go "koko wa oozai no hito
ga sunde iru."

"yande iru no wa kimi dake ja nai, kanchigai shinai de
yo"

"saa... hanashite kureru kai?"
