Come with me boy. (La, la, la, la, la-la-la-la-la-la-la-la
4x)

I see you starrin' at me lookin' down face down turn
around baby lookin' at me starrin' up and down. Boy
won't you come on with me. I'ma show you how I work it
gimme two minutes or sixty seconds to show you
what's good. From the back aye, you don't know what
I'ma do. I'ma work it, work it til' ya sprung and that's the
way I perk it. No disadvantage, complications,
numerous faint reminiscing. Promising to you that it's
just you and me all night.

[Hook]

Watch look at me I got personality.
Never dislocate I got tricks to make you blurt it.
Boy it's you and me come and get the shit you want it.
Body built so good.
I'ma show you that I'm hood. (Yeah I know)

[Chorus 2x]

Come with me boy I'ma show you how I work it
Come with me boy there will be no disappointments
Makin' love all day
It's my special way to show my love for you (Ooo-ooo-
ooo)
I'ma give it to you, give it to you.
When I was bout to leave I saw you lookin' at me
What you lookin' at?
Yo, I saw you starrin' at me. (Boy)
It seems as though you want it
I don't know but if you want it
You can come on up and get it
You not comin' home with me
I'll call you on the phone to see
What is up with you (Cuz' it seems you was diggin' me
all night)

You think I'm playin' but I'm not I'm true.
So if you, so if you (want it boy)
You can come and get it. (Come get it)
Stop that hurtin' boy
