[Intro]

He be da boy on ya screen askin' won't you come with me. And you know you wanna go cuz' it'll be ya special treat. Ain't no jokes, ain't no games when he askin' you this thing. Be his boo, be his girl, (hey) why don't you be his love? (Oh)

[Chorus 2x]

Hands, kiss, touch, his love (Oh)
Hands, kiss, touch, his love (Say it)
Hands, kiss, touch, his love
His love, his love, his love, my love. (Yeah)

[Quelle]

It's ten in da mornin', I saw him lookin' at me from the stand. Came up to me and introduced he wanna be my man. (For real) I'm just the type of girl that's to dispute. But actually I think he's fine, I think he's kind of cute. He asked me for my number. I gave him too my number. He asked me for my name. Established him my name. Can we go out some time? It's really hard to find the time. I apologize; I'm not in look for a man this time.

[Hook]

I know he knows that I'm in extreme pain
Don't know about the game he's tryna play
And I want him, he wants me too
But I don't know what I should to say (Oh)

[Bridge]

Ooo-ooo-ooo, crazy and breath taking
Ooo-ooo-ooo, Just don't know how to take it
Ooo-ooo-ooo, he keep on demonstratin'
Ooo-ooo-ooo his love (yeah)

[Chorus 2x]

Hands, kiss, touch, his love (Oh)
Hands, kiss, touch, his love (Say it)
Hands, kiss, touch, his love
His love, his love, his love, my love. (Yeah)

[Quelle]

I'm gone in side my home. I wanna be alone. He called me on the phone. Said "shawty hey what's wrong? Can we go out tonight? I know you're out of sight, but I wanna get to know you." I know that he's the type and I want him. Just let it break. Can't let it take my love. (Oh)

no, and that's why)

[Hook]

But I can't honestly (I can't trust no more)
You want me, and I want you so come to me and lets be

Together forever lets make this day awake (Oh, oh).

You made my day.

You come and stay my love. (His love)
