Even if we try
Even if we try
To make ourselves alright
To mend our severed lies
Well all the rivers rage
Descend upon the stage
Roaming willow melodies
I lift my voice to sing
Ooh

Holding to the pain
Clouding in my glass
Lever on my youth
Remember what is true
As we watch the colors
Fleeting with the cover
Nature set on fire
Truth found in the mire
Ooh

Stumbling down the hillside
In the waning moonlight
Give me, calling
And wailing on the doldrums
Had ourselves a lonesome night
Passed over
Down on call we'll grow
It's wilting, ???
Come on Johnny please, won't you speak to me?
Ooh

Uuuuuhu uuuuhu uuuhuu uuuuuuuu
Uuuuuhu uuuuhu uuuhuu uuuuuuuu
Uuuuuhu uuuuhu uuuhuu uuuuuuuu
