Elizabeth Dreams (Wilde and Scott)

Elizabeth dreams

Of the day

When the way

That I looked at her

Made her feel

She was real

Elizabeth dreams

Of the time

She was mine

When she didn't need any more

She was sure

She was sure

Out of sight ??

By candlelight ??

And see green ??

And see green horses ??

I said she's out of sight ??

By candlelight ??

And fairy ??

Fairy stories ??

Elizabeth is not what she seems

Elizabeth dreams

Elizabeth dreams

Elizabeth dreams

Holding fast

Through the past

When a morning

Was something new

Flowers grew

Elizabeth dreams

But it's late

And she waited too long

And tomorrow goes

Now she knows

Now she knows

Out of sight ??

By candlelight ??

And see green ??

And see green horses ??

I said she's out of sight ??

By candlelight ??

And fairy ??

Fairy stories ??

Elizabeth is not what she seems

Elizabeth dreams

Elizabeth dreams

Elizabeth dreams

Elizabeth dreams

Elizabeth dreams
