"ICE IN THE SUN"

I'm not a little boy ,I've lived alone and loved so many
more

But when she touches me I melt away ,I'm underneath
the floor

Like ice in the sun I melt away

whenever she comes I melt away

like ice in the sun I melt away

I sit down in a chair and read a book as if I couldn't
care

but she is in the room and I must look ,I see her
everywhere

Like ice in the sun I melt away

whenever she comes I melt away

like ice in the sun I melt away

She opens up her eyes as if to speak

she looks at me an I am weak

her eyes they seem much bigger than before

I cannot think anymore

Like ice in the sun I melt away

whenever she comes I melt away

like ice in the sun I melt away

Like ice in the sun I melt away

whenever she comes I melt away

like ice in the sun I melt away

Like ice in the sun I melt away

whenever she comes I melt away

like ice in the sun
