In My Chair (Rossi and Young)

I saw her talking, now

My ears were burning

Her feet started walking, now

They started turning

My eyes were half open

But she didn't see me there

We ran along walking 'cross the rooftops In my chair

Had a car in my pocket

And we started moving

A man in a helmet

Said, what's that you're using

My eyes were half open

But we didn't see him there

Put the car back in my pocket

And I'm still here in my chair

My teeth were laughing, now

We couldn't stop smiling

We danced to the Mystery Band

Without even trying

My eyes were half open

But we didn't see them there

We ran along walking 'cross the rooftops In my chair
