For me to be alone  
praying near or far too many  
times should have known  
It can loose you all sleep at night  
12 five blues is now alright  
Now it's up to you  
try and find the reason to  
Rock 'n' Roll and every song  
Rock 'n' Roll and everyone  
It's Rock 'n' Roll and Rock and Rock 'n' Roll  
It's Rock 'n' Roll and Rock keeps rollin' on  
Waiting on a time to find radio play "Oh Caroline"  
They say you get there in the end  
We can bright, we can bright, what we sighted, what we  
sighted, what we  
sighted,  
makes a difference in the end  
Rushing always in a hurry  
and try to give it up  
Everything we do is running  
it's never good enough  
It can loose you all sleep at night  
12 five blues is now alright  
Now it's up to you  
try and find the reason to  
Rock 'n' Roll and every song  
Rock 'n' Roll and everyone  
It's Rock 'n' Roll and Rock and Rock 'n' Roll  
It's Rock 'n' Roll and Rock keeps rollin' on  
Waiting on a time to find radio play "Oh Caroline"  
They say you get there in the end  
We can bright, we can bright, what we sighted, what we  
sighted, what we  
sighted, makes a difference in the end
