At first I was afraid, I was petrified,
I kept thinkin' I could never live without you by my side.
But then I spent so many nights,
thinking how you did me wrong.
And I grew strong,
And I learned how to get along.

And so you're back, from outer space,
I just walked in to find you here with that sad look upon
your face.
I should've changed that stupid lock,
I should've made you leave your key!
If I had known for just one second
You'd back to bother me.

Go on now go, walk out the door
And just turn around now,
Cause you're not welcome anymore.
Weren't you the one who tried to hurt me with
goodbye?
Did you think I'd crumble,
Did you think I'd lay down and die.

Oh no not I,
I will survive.
Oh, as long as I know how to love, I know I'll stay alive,
I got all my life to live,
I got all my love to give
And I'll survive,
I will survive!

It took all the strength i had,
Not to fall apart.
I kept trying to mend the pieces of my broken heart.
I spent so all many nights just feeling sorry for myself.
I used to cry,
But now I hold my head up high.
And you see me,
somebody new,
I'm not that chained up little person still in love with
you.

And so you felt like droppin' in and just expect me to be
free,
Now I'm savin' all my lovin'
for someone who's lovin' me.

Go on now go, walk out the door
And just turn around now,
Cause you're not welcome anymore.
Weren't you the one who tried to hurt me with
goodbye?
Did you think I'd crumble,
Did you think I'd lay down and die.

Oh no not I,
I will survive.
Oh, as long as I know how to love, I know I'll stay alive,
I've got all my life to live,
I've got all my love to give
And I'll survive,
I will survive!
