"Until The End"

No one knows who gave the orders
No one asks about the crime
No one looks behind the curtain
No one questions why
The only time we've got
Is right about now
I cross my heart
I take the vow

I'll never turn
I'll never bend
I'm with you now
Until the end

Tonight's the test
Tonight's the time
I am the punishment
That fits the crime
I'll break the bricks
I'll pick the locks
I ain't got nothin'
But I'll give what I got

I'll never turn
I'll never bend
I'm with you now
Until the end

Ten trials whose outcomes
All fixed from the start
Nine judges sitting counting
Their money in the dark
Eight towers of iron
Surround the desert town
On a cold December morning
Seven martyrs knocked them down
Four fathers still waiting
For their five sons to come home
Six mothers who know better
And accept that they're gone
Four years I've been hunted

Still I breathe free
Three times I shot the sheriff
And did not spare the deputy

Two prayers I'm praying
Until we're together
One promise I'm keeping
Tonight and forever

I'll never turn
I'll never bend
I'm with you now
Until the end
