All along I had to talk  
About it  
Like a two edged sword,  
She touched you and it stabs (me)

Chorus:  
All along I knew you were  
A phony boy  
You sit behind the mask  
And you control your world

Yesterday you held her in your arms  
But when I'm holdin' you  
Feel it's bitter charms  
I can't judge what you're doin' to me  
You camouflage the truth,  
Indulge your fantasy

(Chorus)

(Chorus)

Who do you love?  
Is it me?  
Is it her?  
I don't know!

There is nothing in your eyes  
(There is nothing in your eyes)  
But that's the way you cry  
(But that's the way you cry, boy)  
All is grand, all is bright  
(All is grand, all is bright)  
You're just srudyng my mind  
(You're just srudyng my mind)

Was I invited to your masquerade?  
Well, the party's over so  
Now take off the face  
You say you love, but it's hard to see  
'Cause when you're in his arms

You're throwing rocks at me

(Chorus)

(Chorus)

There is nothing in your eyes  
(There is nothing in your eyes)  
But that's the way you cry  
(But that's the way you cry, boy)  
All is grand, all is bright  
(All is grand, all is bright)  
You're just studying my mind  
Eh, eh, eh

I walk around I'm sufferin'  
In my doom  
When I come to you,  
You're sittin' in our room  
The truth in you I have  
Long to trace  
So take off the mask so  
I can see your face

(Chorus)

(Chorus)

(Chorus)

(Chorus)

What talk about?  
What talk about?  
Yeah, yeah, yeah
