I hear the wind call your name
It calls me back home again
It sparks up the fire
A flame that still burns
Oh it's to you,
I'll always return

Yeah!

I still feel your breath,
On my skin
I hear your voice deep within
The sound of my lover
A feelin so strong
Oh, it's to you i'll always belong

Now i know its true
Yeah!
My every road leads to you.
And in the hour of darkness darlin,
Your light gets me through.
I wanna swim in your river.
Be warmed by your sun.
Bathe in your waters.
Cuz you are the one!

I can't stand the distance.
I can't dream alone.
I can't wait to see you,
Yes I'm on my way home.

I'm on my way.

OH!
I hear the wind,
Call your name.
The sound that leads me home again.
It sparks up the fire.
A flame that still burns.
OH!
Its to you,

I will always return.
Wanna swim in your river.
Be warmed by the sun.
Bathe in your waters.
Cuz you are the one!

I can't stand the distance.
I can't dream alone.
I can't wait to see you,
Cuz I'm on my way home.

OH!
Here the wind,
Call your name.
The sound that leads me home again.
It sparks up the fire.
A flame that still burns.
Yeah!
Im on my way!
I will always return.
Yes I will always return.
I've seen every sunset.
And with all that i've learned.
Oh!
It's to you
I will always,
Always,
Return.
