"Sound The Bugle"

Sound the bugle now - Play it just for me.
As the seasons change - Remember how I used to be.
Now I can't go on - I can't even start.
I've got nothing left - just an empty heart.

I'm a soldier - wounded so I must give up the fight.
There's nothing more for me - lead me away...
Or leave me lying here.

Sound the bugle now - Tell them I don't care.
There's not a road I know - That leads to anywhere.
Without a light, I fear that I will - Stumble in the dark.
Lay right down - Decide not to go on.

Then from on high - Somewhere in the distance.
There's a voice that calls - Remember who you are.
If you lose yourself - your courage soon will follow.

So be strong tonight - Remember who you are.
You're a soldier now - fighting in a battle.
To be free once more - That's worth fighting for.
