Man with a crown, the one that always frowns
I'd rather have a hat than a broken back
Show you a man with a lot on his mind
I'll show you a self-confessed trend setter
Oh, oh, because the man said no

Live like a king for a day, skint for the rest of the week
Say you're nothing special, say you're lying through
your teeth
It's just our way, why should we throw away a sunny
day?
We should not
It's just our way, why should we throw away a sunny
day?

It's a realization you're not ten feet tall
A realization you don't know it all
World domination makes you feel so small
Realization of it all

Stealing
Coppers off your mantelpiece
Stumbling
Through life without one good deed

And you're not living for tomorrow
Dealing with some sorrow
Competing with the neighbors
Waiting for that six number savior, oh

Buy some brew with some ill gained currency
What a nice way to spend everyday
Never had a Beamer, never been a dreamer
Your barks worse, worse than your bite

Why should we throw away a sunny day?
Why should we throw away a sunny day?
The night has overcome your apocalyptic way

It's a realization you're not ten feet tall
A realization you don't know it all
World domination makes you feel so small

Realization of it all

Realization you're not ten feet tall
Realization you don't know it all
World domination makes you feel so small
Realization of it all

Take for granted Eagers omen
Story's lost its moment
Take for granted Eagers omen
Dryburgh stories lose their moment
Take for granted Eagers omen
Dryburgh stories lose their moment
